

Appendix B – Details of consultation carried out - internal and external

Public Health away-day 6th July

The Alive Bristol 'whole city' approach and Healthy Weight Declaration were outlined to the Public Health team. There was then discussion and ideas generated on barriers and possible collective actions.

Health and Wellbeing Board 25th September

A Paper is being taken to the Board to gain their support and to give Members the opportunity to gain comment on the proposal and identify how they can help drive this agenda in their organisations.

Bristol City Council healthy weight partnership group, first meeting 2nd October

The first meeting of this partnership group will elicit views on the proposal and identify key actions.

Going for Gold – Sustainable Food City conference 14th November

Alive Bristol will have a substantial agenda item during the conference, allowing for discussion of the proposal and identification of priority areas for partnership working.
