

Appendix A

Illustration of number of properties vested compared to CPO action commenced since 2010

Of the 47 properties where CPO action has commenced 11 became occupied before proceeding to a formal Directors Report and 3 are being renovated.

Of the 33 where a Directors report was signed off authorising to proceed to CPO 13 have been renovated and re-occupied privately, a further 2 were purchased by agreement by the council a subsequently re-occupied. Works are ongoing at 2.

Of the 14 cases where it was necessary to make CPO's, 12 have been renovated and re-occupied (including the property acquired just prior to vesting and the vested property) and work on the remaining 2 properties is nearing completion.

In total 38 of the 47 cases where CPO action was initiated have been re-occupied. Work is ongoing on a further 7.
