

Our vision

By 2050 everyone in Bristol will have the opportunity to live a life in which they are mentally and physically healthy. Mental health will be as important as physical health, health inequalities will be reduced, and children will grow up free of adverse childhood experiences having had the best start in life.

Our approach

Grow positive health Prevent disease occurring
 Protect from harms to health Reduce inequalities in health

Partnerships

One City approach – public, private and third sector partners in Bristol sharing an aim to make Bristol a fair, healthy and sustainable city.

Healthier Together - 13 health and care organisations in Bristol, North Somerset and South Gloucestershire, focussing on integrated services, prevention and early intervention.
