Public Meetings

Due to recent developments with regards to Covid19 and in the interests of public health the format of public meetings of Bristol City Council have changed and meetings will not take place at City Hall, College Green at this time.

We will use remote meeting technology to continue local government decision making and you are invited to view meetings via the website.

Public Forum

Members of the public may make a written statement ask a question or present a petition to most meetings. Your statement or question will be sent to the Committee. Please submit it to democratic.services@bristol.gov.uk or hand in to Democratic Services Section, City Hall, College Green. The following requirements apply:

- The statement is received no later than **12.00 noon on the working day before the meeting** and is about a matter which is the responsibility of the committee concerned.
- The question is received no later than **5pm three clear working days before the meeting**.

Any statement submitted should be no longer than one side of A4 paper. For copyright reasons, we are unable to reproduce or publish newspaper or magazine articles that may be attached to statements.

By participating in public forum business, we will assume that you have consented to your name and the details of your submission being recorded and circulated to the Committee and published within the minutes. Your statement or question will also be made available to the public at the meeting to which it relates and may be provided upon request in response to Freedom of Information Act requests in the future.

We will try to remove personal and identifiable information. However, because of time constraints we cannot guarantee this, and you may therefore wish to consider if your statement contains information that you would prefer not to be in the public domain. Public Forum statements will not be posted on the council's website. Other committee papers may be placed on the council's website and information within them may be searchable on the internet.

During the meeting:

- Public Forum is normally one of the first items on the agenda, although statements and petitions that relate to specific items on the agenda may be taken just before the item concerned.
- There will be no debate on statements or petitions. Public Forum will be circulated to the Committee members prior to the meeting and then noted at the meeting.
- Please note that only written submissions can be considered at this time.

For further information about procedure rules please refer to our Constitution <https://www.bristol.gov.uk/how-council-decisions-are-made/constitution>

Webcasting/ Recording of meetings

Members of the public attending meetings or taking part in Public forum are advised that all Full Council and Cabinet meetings and some other committee meetings are now filmed for live or subsequent broadcast via the council's [webcasting pages](#). The whole of the meeting is filmed (except where there are confidential or exempt items). If you ask a question or make a representation, then it is likely to be captured on film and will be deemed to have given your consent to this. If you do not wish to be filmed you need to make yourself known to the webcasting staff. However, the Openness of Local Government Bodies Regulations 2014 now means that persons attending meetings may take photographs, film and audio record the proceedings and report on the meeting (Oral commentary is not permitted during the meeting as it would be disruptive). Members of the public should therefore be aware that it may also be filmed by others attending and that is not within the council's control.
