Covid-19: changes to how we hold public meetings

Following changes to government rules, we'll use video conferencing to hold all public meetings, including Cabinet, Full Council, regulatory meetings (where planning and licensing decisions are made) and scrutiny.

Councillors will use Zoom or Skype for Business to take part in the meetings and vote on agenda items.

We'll stream the meetings live on YouTube.

You can submit statements, questions and petitions ahead of the meetings in the same way as usual. We will send all statements to participating Councillors in advance and respond to all questions and petitions in writing.

You will not be able to present a public submission at the meeting at the current time. We're looking into options for increasing public participation at meetings held using video conferencing, including being able to present a statement or ask supplementary questions using Zoom.

Email democratic.services@bristol.gov.uk if you have any questions.

Public Forum

Members of the public may make a written statement ask a question or present a petition to most meetings. Your statement or question will be sent to the Committee. Please submit it to democratic.services@bristol.gov.uk The following requirements apply:

- The statement is received no later than **12.00 noon on the working day before the meeting** and is about a matter which is the responsibility of the committee concerned.
- The question is received no later than **5pm three clear working days before the meeting**.
- Any statement submitted should be no longer than one side of A4 paper. For copyright reasons, we are unable to reproduce or publish newspaper or magazine articles that may be attached to statements.

By participating in public forum business, we will assume that you have consented to your name and the details of your submission being recorded and circulated to the Committee and published within the minutes. Your statement or question will also be made available to the public at the meeting to which it relates and may be provided upon request in response to Freedom of Information Act requests in the future.

We will try to remove personal and identifiable information. However, because of time constraints we cannot guarantee this, and you may therefore wish to consider if your statement contains information that you would prefer not to be in the public domain. Public Forum statements may be posted on the council's website. Other committee papers may be placed on the council's website and information within them may be searchable on the internet.

During the meeting:

- Public Forum is normally one of the first items on the agenda, although statements and petitions that relate to specific items on the agenda may be taken just before the item concerned.
- There will be no debate on statements or petitions. Public Forum will be circulated to the Committee members prior to the meeting and then noted at the meeting.
- Please note that only written submissions can be considered at this time.
