

Question: CQ11.04

Cabinet – 14th July 2020

Re: Agenda item 11 – City Leap Procurement

Question submitted by: Councillor Anthony Negus

Since none of this is commercially sensitive and presumably common to all, will the mayor ensure that all the reasons, and the legal advice behind it, for stopping the tender process are explained, along with the related risks and that the length of delay and the weighting of the required outcomes from the scheme is made public?
