

SAVE JUBILEE POOL – to be moved by Councillor Graham Morris

“This Council is concerned that the future of this much-loved south Bristol swimming pool has once again been put under a cloud of uncertainty by the Labour Mayor.

The last review, conducted in 2017, over the cost of running this heritage facility, resulted in a plan and a promise to subsidise it for a further five years. Council is therefore surprised that a consultation has now been launched around its proposed closure unless a community asset transfer can take place, even though the Administration’s own consultation does not recommend this course of action.

Given that this leisure pool serves some of the most economically deprived parts of the city, it seems unlikely and unrealistic to expect local users to muster sufficient finance to secure such an acquisition.

Consequently, Council calls on the Mayor to (i) withdraw this threat over the pool; (ii) allocate the necessary (and relatively modest) capital and revenue funding to enable it to continue to operate in a COVID secure and safe way, and; (iii) honour the previous agreement made with the provider Parkwood Leisure to maintain this public amenity until at least 2022.”

Amendment to be moved by Councillor Gary Hopkins
