Recommendations:

1. For the Neighbourhood Partnership to further refine, improve and own the Plan
2. To adopt the Neighbourhood Partnership Plan following the input from the NP and other stakeholders

1. What is a Neighbourhood Partnership Plan?

The Neighbourhood Partnership Plan is a three year plan. It sets out the priorities of the Neighbourhood Partnership over this time. As part of the process of making the plan 'real' the NP is asked to input into further refine and improve the plan.

2. Purpose

The plan:

- Identifies the partnerships aspirations for the area and some challenging goals;
- Contains all of the partnership's priorities and the evidence underpinning them in one document;
- Is clear about what the partnership has to do, and what the partnership can do;
- Directs the allocation of funding and resources managed by the

Neighbourhood Partnership towards the achievement of partnership priorities;

- Guides the partnerships work over 3 years;
- Identifies where city level or additional support is needed to help the partnership achieve its priorities;
- Identifies where Neighbourhood Partnership alliances can be formed and resources shared to address common priorities;

3. Process used to develop the plan

The Neighbourhood Partnership Plan is an amalgamation of all the plans that the Neighbourhood Partnership was working to previously. This includes the Waste Plan, the Parks Improvement Plan, the Safer Bristol Plan and Neighbourhood Working.

Evidence to guide and support the Plan has been gathered from the Quality of Life Survey 2013, the Census Data 2011, Police Crime Statistics, statistics from the Department of Work and Pensions and the public fora across the two wards. Issues raised at forums and working groups have also been used as evidence to support the priorities and activities.

The Neighbourhood Partnership Plan process for refining and improvement will be taken to Forum meetings and other engagement activities. Participants will have an opportunity to refine and improve the plan and highlight actions that they felt were important to them.

The Neighbourhood Partnership will own the plan and this meeting will further refine the plan to produce a quality guiding document that captures the needs of the Greater Brislington Neighbourhood Partnership.

4. Refining the NP Plan (Appendix 12a)

The aim of this exercise is for the Partnership to refine the action plan to ensure it is honest and is broadly representative of the issues that need to be addressed in Stockwood and Hengrove & Whitchurch Park and the aspirations of the Neighbourhood Partnership. To enable this to happen there is a need to identify and agree the priorities the NP wishes to focus on.

5. What happens next?

Once actions are prioritised, the partnership will be in a position to:

- Programme short, medium and long term action;
- Start work on addressing priorities where the resources/capacity to do so exists;
- Identify where additional resources and capacity are needed so that the case can be made to acquire more resources and capacity;
- Allocate or find funding to address priority issues; and
- Report back and account for what the partnership has done against what it has agreed to do, and share good practice.
