

Question: CQ12.01

Cabinet – 9 March 2021

Re: Agenda item 12 – Future Commitment of Bristol City Council to the UK Government Resettlement Scheme

Question submitted by: Cllr Don Alexander

Bristol is a City of Sanctuary and this report is to be welcomed, although the Government's targets for the UK Resettlement Scheme lack ambition. Could the Cabinet Member please explain to us how the Community Sponsorship Scheme works and how Bristol residents can be involved?
