

**Question: PQ15.05**

**Cabinet – 9 March 2021**

**Re: Agenda item 15 - Advertising and Sponsorship Policy**

**Questions submitted by: Anna Meares**

The council has declared Climate and Ecological Emergencies and laid out its ambitions to reach net zero by 2030. When will the council conduct a consultation on high carbon advertising, in line with their commitment in the One City Climate Strategy, and as discussed in the report for this Agenda Item?
