#### **Review of Bristol Waste – Journey towards Zero waste**

**Date: Workshop 9<sup>th</sup> June 2016 (followed by Formal Commission Meeting on 7<sup>th</sup> July)**

**Venue: City Hall**

**Time: 10am to 1.30pm**

#### **Outline**

On 12th June 2015, Bristol City Council approved the mutual termination of the Waste Collection, Street Cleansing and Winter Maintenance contract with Kier Environmental Services.

It was subsequently agreed that waste services would be handed over on an interim basis to Bristol Waste Company (BWC) - a newly formed BCC owned company. This arrangement commenced on 8th August 15, and in December 2015 a Cabinet decision agreed that the Waste Company should continue to provide waste services to the Council until November 2018, with the outcome of a review of the longer term future of the services to be reported to Cabinet in summer 2016.

As part of this review process, it is suggested that Scrutiny conduct a workshop on 9<sup>th</sup> June 2016. The purpose of the workshop will be to understand the various models of delivery of waste services, including the Teckal company, and to ensure Members are brought up to speed with the history of the waste services contract.

Following the workshop, the Neighbourhoods Scrutiny Members and OSMB will have the opportunity to formally comment on the Waste Cabinet report and make recommendations regarding the best way forward. The provisional dates for these meetings are;

Neighbourhoods Scrutiny – 7<sup>th</sup> July

Cabinet – 11th August
