

**BRISTOL CITY COUNCIL
PUBLIC SAFETY AND PROTECTION COMMITTEE
16 August 2016**

Report to consider an application for the Grant of Street Trading Consent(s) at Hengrove Way, Bristol

Applicant: Dacody Brown

Report of the Service Manager – Regulatory Services

Purpose of Report

To determine an application for the grant of a Street Trading Consent at the following location: Hengrove Way, Bristol

Background

1. With effect from 1 May 2009 the above location is designated as a consent street for the purpose of street trading legislation. Any street trading at that location other than under a street trading consent issued by the Council would constitute a criminal offence.
2. The land is public highway and borders Hengrove Park.
3. General conditions which would normally be attached to a licence/consent if granted are at Appendix A.
4. A site location plan is attached at Appendix B.
5. On 7 June 2016 Mr Dacody Brown applied to sell the following goods:
Sausage, bacon, egg, burgers, chicken, salad,
sandwiches, cold drinks (cans), hot drinks (tea and coffee),
rice

During the hours of 0900 – 1430 Monday to Friday

Mr Brown has confirmed that he intends to trade from a catering trailer (3m length x 1.98m width x 2.2m height) but at the time of writing no photographs of the unit had been provided. Members may wish to request further information about the vehicle to be used, including photographs, to establish the suitability of the proposed unit and suitability of location in relation to the proposed unit.

Consultation

6. The Council's policy states that normally consultation will take place with the following interested parties:-
 - a. Local Residents
 - b. Local businesses
 - c. Bristol City Council – Highways officer
 - d. Bristol City Council – Planning Team
 - e. Bristol City Council – Food Safety Team
 - f. Bristol City Council – Pollution Control Team
 - g. Bristol City Council – Councillor
 - h. Avon and Somerset Police

Standard consultation was undertaken in respect of this application

Consultation Responses

7. The following responses have been received.

A representation was received from the Highways Team, which is attached at Appendix C

Officer Considerations

8. If members were minded to grant the application a number of documents are still outstanding which are:
 1. Two colour photographs of the applicant
 2. A basic criminal records disclosure in the name of the applicant
 3. Three colour photographs of the trading unit illustrating different elevations of the unit.

Should the basic disclosure reveal any relevant unspent convictions the applicant may need to provide further information, or the application be referred back to committee prior to a consent being issued.

9. Additionally another application has been received for this site for similar hours of operation. Officers would recommend

determination of this application is deferred until after both applications have been heard.

10. Schedule 4 to the Local Government (Miscellaneous Provisions) Act 1982 deals with street trading consents. Subject to certain exemptions that do not apply to this application, Paragraph 7 enables the council to grant a licence if they think fit. The council may attach such conditions as they consider necessary, which may include among other things conditions to prevent obstruction of the street or danger to persons using it, nuisance or annoyance etc. Consent may include permission for its holder to trade in a consent street from to trade from a stationery van, car, barrow or other vehicle, or from a portable stall. Unless such permission is included the act prohibits a consent holder trading from a van or other vehicle or from a stall, barrow or cart.
- i. If such a permission is included then the council may include conditions
 - (a) as to where the holder of the street trading consent may trade by virtue of the permission; and
 - (b) as to the times between which or periods for which he may so trade.
 - j. A street trading consent may be granted for any period not exceeding 12 months but may be revoked at any time. The holder of a street trading consent may at any time surrender his consent to the council and it shall then cease to be valid.

11. The applicant has been provided with a copy of the report and has been invited to the meeting.

RECOMMENDED **The committee is recommended to defer determination of this application until the second application for this site has been heard.**

Representations

Representation 1 – Highways Team:

Is there still a trader on the RHS (see attached Street View image) of the access road to Hengrove Park? The proposed site on the LHS may be a problem, as there will not be enough space at the end of the footway by the fence, or the dropped kerb access might get blocked.

To confirm. The site shown on the LHS of your picture is unsuitable in that any mobile food unit would block the pedestrian route from the dropped kerbing and obscure driver sight line of oncoming traffic from vehicles pulling out of the parks access road on to the busy Hengrove Way. If any trader has been operating at the LHS site, no complaints from the public have been received. However, this does not mean that the site is suitable and we must all be mindful of the road safety issues.

The site (Parks land) on the RHS is suitable, providing that the footway is kept clear.
