Corporate Strategy Post-consultation – Change Log

Change	Source	Rationale
Renaming "Sustainability" building block to "Environmental Sustainability"	Public consultation feedback on importance of environment. Internal feedback on potential different interpretations of sustainability	Emphasising that the Climate and Ecological emergencies will cut across the organisation's future goals and plans. Protecting green spaces, prioritising the environment and climate change feature most amongst free text responses
Renaming "A Development Organisation" theme to "Effective Development Organisation"	Public consultation feedback on importance of accountability, transparency, leadership and effectiveness	To better match the aims of the Priorities in this section.
Renaming HC2 "Healthy Homes" priority to "Lower Carbon Homes"	Internal feedback on potential confusion as to the aim of priority	Clarifying the original main intention of the Priority
Renaming ENV3 "Waste Reduction" to "Cleaner Bristol"	Public consultation feedback on importance of environment and green spaces. Internal feedback to include city design and upstream management	Changing emphasis from managing waste production to further upstream, such as incorporating sustainable lifestyles and environmental needs into city design and built environment considerations as well as retaining original intentions to reduce waste
ES1 Regeneration: Including place-based approaches	Public consultation feedback to not be driven by just economic growth. Internal feedback that regeneration needs are place-based	Updates to ensure an emphasis on values-led regeneration that is of benefit to residents and communities taking a place-based approach to regeneration, promoting inclusive and sustainable growth
HC1 Housing Supply: Including private rented sector	Public consultation feedback on importance of affordable housing and private rented sector support. Internal feedback to ensure we cover the breadth of housing agreements.	Introducing additional aims around standards in the Private Rented Sector and bringing empty properties back in to use
HC4 Homelessness: Including rough sleeping	Public consultation feedback on importance of homelessness and support. Internal feedback to include central government target.	Ensuring target to end rough sleeping by 2024 is aligned to national government

Moving HCW4 "Disability" priority from Health, Care and Wellbeing to Homes and Communities theme	External feedback to ensure emphasis on social model of disability and move away from theme that relates to medical need	Emphasising the social model of disability rather than a deficit medical model, and updating descriptive text to better convey this
Adding explicit reference to carers and socio-economic deprivation under "Equality and Inclusion" Building	External partner feedback to include reference to carers and their needs	Block to match commitments in the Council's Equality and Inclusion Policy to consider these in the same way as the nine Protected Characteristics under the Equality Act 2010.
Updating Environment and Sustainability Theme introduction to give equal prominence to the Ecological as well as Climate Emergency.	External feedback that hadn't included Ecological emergency to same extent as Climate emergency	Ensuring strategic aims are aligned and consistent
Adding multiple references to align the strategic and civic intentions of the city's universities and Further Education sector with the Council's – in CYP3 "Equity In Education"; ES1 "Regeneration"; ES2 "Access to Employment"; ES3 "Good Growth"; EO1 "One City"	External partner feedback to include partnership working on civic university aims and benefits for the city	Ensuring strategic aims are aligned and consistent
Multiple updates relating predominantly to gender equality in response to a submission from the Bristol Women's Commission.	External feedback to ensure gender equality	Ensuring equality commitments are consistent
Updating explanations about measuring performance and outcomes; using high-level insight statements whilst a more detailed accompanying Performance Framework is developed.	Public consultation feedback on importance of including targets. Internal engagement with services and Members on development of new Performance Framework	Timescales for development of a new Performance Framework are aligned with Service and Business Planning process Oct-Dec 2021, for implementation from Apr 2022. Current performance framework still in place until Mar 2022.
