

**Question: CQ11.07&08**

**Cabinet – 8 February 2022**

**Re: Agenda item 11 - Leisure Facilities Investment and Procurement**

**Questions submitted by: Councillor Barry Parsons**

Public consultation has overwhelmingly rejected this leisure investment strategy, which could result in the loss of both Jubilee Pool and Kingsdown Sports Centre. The public has never been presented with an adequate account of how the decision to stop operating these facilities was made, or what options were considered. We can therefore have no confidence that a proper assessment of the alternatives has been made.

1. Isn't it time to admit that the strategy is flawed and go back to the drawing board?
2. What alternatives were considered to stopping operating Jubilee Pool and Kingsdown Sports Centre?
