

Eco Impact Checklist

Title of report: Events and Conference Catering contracts				
Report author: Ellen Hitchins				
Anticipated date of key decision : 12 July 2022				
Summary of proposals: Seeking approval to directly award a new contract to provide café service at City Hall, Central Library and Create Centre to Caffe Gusto, a new contract award to Parsnip Mash to continue to provide the conference and events provision at Mansion House and City Hall and to reinstate the Pegasus contract to supply catering for City Hall Conference and Events until the end of December 2023.				
Will the proposal impact on...	Yes/ No	+ive or -ive	If Yes...	
			Briefly describe impact	Briefly describe Mitigation measures
Emission of Climate Changing Gases?	Yes	+ive	Provision of food has emissions of CO2e associated, however by appointing contractors that hold Bristol Eating Better awards, this contract will lead to a reduction compared to non-certified catering providers.	
Bristol's resilience to the effects of climate change?				
Consumption of non-renewable resources?				
Production, recycling or disposal of waste	Yes	-ive	Provision of catering services usually leads to production of food and packaging waste.	The contract providers will comply with site specific requirements to avoid use of single-use plastics, to minimise food waste wherever possible, and to segregate any remaining waste streams.
The appearance of the city?				
Pollution to land, water, or air?				
Wildlife and habitats?				
Consulted with:				
Summary of impacts and Mitigation - <u>to go into the main Cabinet/ Council Report</u>				

The main environmental impacts of this contract will arise from emissions and waste associated with standard provision of catering services. These impacts will be minimised by appointing contractors that hold Bristol Eating Better awards, and compliance with BCC policies on waste.
