

**Area Committee 5 Meeting
Date 27th July 2022**

Report of: Keith Houghton

Title: Community Resources Manager, Neighbourhoods & Communities

Telephone Number: 0117 922 2135/ 07585 909029

RECOMMENDATIONS. The Committee is asked:

1. Note the proposed updating of progress on previously approved projects. (Item 3)
2. Note the progress of 2022/23 Area Committee process and the decision-making for S106 monies specified for tree planting and replacement. Also, note the intention to publish a public record of the considerations of Area Committees in deciding which proposals to bring forward to their autumn decision-making, following a finding of the Local Government and Social Care Ombudsman (Item 4)
3. Note the increased unit cost of tree replacement from £765.21 per tree to £1,041.66 (Item 4)
4. Note the CIL and S106 monies available at 30th June 2022 (Item 5)
5. To consider the updates on the Ashton Vale play area and the proposal to request a further Transport Full Proposal to come to the November 2022 formal meeting to request additional funds to deliver the recommended Luckwell Road school crossing scheme, originally approved in 2019 (Item 6)
6. To consider the funding for the S106 Tree Proposal submitted, including any conditions which they may wish to attach (Item 6)
7. To note the legal information concerning the Public Sector Equality duty in reaching all its decisions (Item 7)

1. Background:

- a. 6 Area Committees were approved at the Full Council meeting on 20th March 2018 to hold delegated decision-making powers over non-earmarked Section 106 and local Community Infrastructure Levy (CIL) funds.
- b. Area Committee 5 consists of the councillors representing the wards of **Bedminster, Southville, Windmill Hill, Knowle, Brislington West, and Brislington East.**
- c. Each Area Committee will meet formally once a year (with the option of a second, additional meeting if required) to make decisions on the awarding of local CIL and S106. 15% of CIL generated within each Area Committee area is available for spend. Those parts of an Area Committee which have a formally adopted Neighbourhood Development Plan receive 25% of the CIL generated within the defined border of their Plan to support their identified infrastructure priorities.
- d. Information about Area Committees, CIL and S106 processes can be found on the BCC website at: <https://www.bristol.gov.uk/people-communities/local-decision-making>

2. Terms of Reference

- a. The Area Committee Terms of Reference were approved at Full Council on 20th March 2018 and adopted at the 2018 Area Committee on 3rd October 2018. They can be found at the above website: <https://www.bristol.gov.uk/people-communities/local-decision-making>

3. Progress update on CIL & S106-funded projects approved at 2018, 2019, 2020 and 2021 Area Committee Meetings

Six-monthly progress updates on delivery of previously-approved AC schemes and outstanding legacy Neighbourhood Partnership schemes from both BCC and Voluntary/Community Sector organisations are published at: <https://www.bristol.gov.uk/people-communities/area-committee-progress-updates>. The next one will be published in August 2022.

4. Allocation of CIL and Section 106 Funds

a. A timetable and process for developing Outline and Full Proposals for funding from CIL and S106 resources for 2022 was agreed and started in January 2022. Councillors have worked with their communities to identify and prioritised potential projects. These will be considered at the Informal meeting following this formal Area Committee meeting.

b. The exception is decision-making on tree replacement using earmarked Section 106 funds, which can be planted in good time when the winter planting season begins and which would be unacceptably delayed if decisions were put back to the November Area Committee meeting.

These S106 Tree proposals are presented for decision by the Area Committee in this paper.

c. The Committee is asked to note that Tree Bristol has held the unit cost of a replacement tree planting at the 2013 rate of £765.21 for the last nine years. Unfortunately, this costing cannot be maintained any longer, due to rising costs, and they now have to apply the relevant Retail Price Index increase to tree replacement as follows:

£1,041.66 per tree replacement

d. In April 2022 the Local Government and Social Care Ombudsman responded to a complaint raised by a Bristol resident that 'the Council rejected her proposal for funding without making public its reasons or criteria. This made it difficult to understand why the Council rejected the proposal and to make necessary changes.' The Ombudsman found fault with the Council's actions and the Council has apologised to the resident and agreed to make the following changes to our procedures to remedy the injustice caused:

- Change the procedure followed by the Area Committees, to ensure the reasons for rejecting outline proposals at stage one meetings are clearly recorded in a format available to the public, consistent with the principles of the Guide and the Practice.
- We will therefore publish a record of the considerations of Area Committees in deciding which proposals to bring forward to their autumn decision-making meeting and which not to bring forward. This record will be posted on the Council's website at: [Funding for local projects - bristol.gov.uk](https://www.bristol.gov.uk/funding-for-local-projects)

5. CIL and Section 106 Monies available to Area Committee 5 at 30th June 2022

a. CIL available:

At the end of June 2022 there was an overall sum of **£316,066.11** available to Area Committee 5, which breaks down for general AC5 expenditure:

- For General AC5 expenditure: **£316,066.11**

See Appendix 1

b. Section 106 available:

i. At the end of June 2022 there was a total of **£91,957.13** uncommitted Section 106 agreement monies available for AC5, of which **£38,735.73** is designated specifically for tree planting and tree replacement

ii. All S106 agreements are legally bound to be spent according to the Purpose of the Contribution so can only be approved for projects which met these conditions.

iii. The Committee is asked to note that there are no time-limited S106 at risk if not allocated.

See Appendix 2

6. Outstanding AC5 issues with previous AC allocations

a. Ashton Vale Community Centre and Children's Play

At its meeting on 11th Nov Members expressed concern about Ashton Vale Community Centre not engaged around using funding for a Children's Play Area as previously agreed to support the creation of a play area. The Ward Councillors agreed to make contact with the Management Committee of Ashton Vale Community Centre with

a view to seeking a satisfactory resolution of the issue and securing the repayment of the £11,397 which had been drawn down, but not used for the intended purpose. In considering options for the £4,175 allocated for Improvements to the environment immediately outside the community centre, it was agreed that this should be unallocated and restored back to the CIL fund.

Update to meeting

b. Luckwell Road crossings

- i. at its meeting on 11th November 2019 the Committee approved the allocation of £41,426.52 from available S106 contributions to deliver 2 pedestrian crossings at Luckwell Primary School. In addition, in 2015 the Neighbourhood Partnership allocated £17,143 to upgrade the existing islands on Duckmoor Road to convert them into pedestrian refuge islands.
- ii. Transport have reported back: Various options have been considered and there is currently a significant funding gap between the budget allocated and the preferred option. Construction costs have been increasing significantly in recent years and are expected to continue to increase given the current economic climate and inflation.
- iii. Transport have produced a report (**Appendix 3**) on the options and they are recommending the following:
 - To drop the individual scheme for Duckmoor Road and progress a zebra crossing outside Luckwell Road Primary School, i.e. Option 1.
 - To reallocate the Duckmoor Road funding to the Luckwell Primary School crossing, giving a total S106 and Minor Traffic scheme budget of £58,426.
 - Request an additional £50,000 from the Area Committee to cover the funding gap.

Recommendation: That the Area Committee considers the report and recommended way forward and whether to invite Transport to submit a further proposal seeking an additional £50,000 to the November meeting for consideration, as this is a previously-approved scheme

7. 2022 Stage 2 Full Project Proposals: for decision

Proposal 1: Tree Bristol Tree Planting Proposal

Section 2e. Describing Success:

How can you demonstrate that your proposed project will address the demands and needs you've identified? How will you measure and demonstrate positive changes to the Area Committee and to local communities?

Propose **at least one** and **up to three** outcomes and associated measurable indicators (up to 3 per Outcome) to describe the improvements your project will make

Write no more than 25 words for each Outcome. Please use SMART Indicators and concrete proposals to evidence achievement. This will be followed up in Project Monitoring			
Outcome	Description	Indicator or Measure	Proposed evidence
Outcome 1	Increase canopy cover in AC area	Percentage of canopy cover	Tree audits using i-Tree methodology & satellite imagery
Outcome 2	Contribute to cleaner air	NO2 and SO2 measurements	Annual measurements by Environment Agency
Outcome 3	Improved satisfaction in local environment	QoL indicators	Improved Environment QoL survey scores

Section 3. Equalities, Inclusion and Public Sector Equality Duty

Both devolved Section 106 and CIL monies are the responsibility of Bristol City Council. Their use is covered by Bristol City Council's **Equality and Inclusion Policy and Strategy 2018–2023** and the **2010 Equality Act Public Sector Equality Duty** (see <https://www.bristol.gov.uk/people-communities/equalities-policy>) .

All project proposals completing this proposal **MUST** attach a completed **Public Sector Equality Duty and Equalities Impact Assessment** to demonstrate how your project supports relevant elements of these policies. Please tell us how your project has been designed to deliver positive impacts and mitigate any negative impacts on people with protected characteristics as set out in the 2010 Public Sector Equality Duty and identified Equalities communities within those protected characteristic categories.

Your Full Proposal will not be considered for funding without a completed Public Sector Equality Duty and Equalities Impact Assessment.

Section 3b. Equalities-led organisations:

Tell us if at least half your organisation's board (trustees or directors) are:

	Y/N
BME people	
LGBT people	
Disabled people	

Section 3c. Disabled Access to Capital Projects:

Please explain below how you will ensure that high quality access for Disabled people will be delivered by your project? Please note: your project will not be funded unless you can demonstrate how it will be fully accessible.

200 words maximum

All planted locations are assessed and those impacting on accessibility guidelines as laid out in the Equalities Act 2010. Those that don't meet the criteria, (eg. Street tree locations that are in adopted highways of less than 1.8m thus impeding access to wheelchairs, mobility scooters and pushchairs), are rejected and alternatives sought.

Section 3d. Involving the community

How have you already, and how will you, involve the wider community with your project, including Equalities communities and groups with Protected Characteristics under the 2010 Equality Act?

100 words maximum

All groups, residents and businesses in the immediate area of new planting sites are consulted with site maps and rationale for planting. Tree Bristol will encourage local people along to plant where safe to do so ie. In parks and green spaces. (planting in the highway is suitable for volunteer planting due to risk assessment highlighting health & safety risk.

Section 4. Project Delivery Details

Section 4a. Land/Resource ownership. Please demonstrate your Project has permission to be delivered from any third party owner of the land or resources it will impact on:

7. Equalities/Public Sector Equality Duty: Legal Information

When councillors decide how CIL and Section 106 is spent they should have due regard to the Public Sector Equality Duty that applies to all public bodies. This duty is contained in the Equality Act 2010 and came in to force on 6 April 2011. It replaces previous equality duties under the Sex Discrimination, Race Relations and Disability Discrimination Acts.

The duty means that councillors are required to have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited under the Act
- Promote equality of opportunity between different groups
- Foster good relations between people from different groups

The duty covers the following protected characteristics:

- Disability
- Sexual orientation
- Age
- Gender reassignment
- Religion and belief
- Sex
- Race
- Pregnancy and maternity

It also applies to marriage and civil partnership, but only in respect of the requirement to eliminate discrimination and harassment.
