Step 1: What do we want to do?

The purpose of an Equality Impact Assessment is to assist decision makers in understanding the impact of proposals as part of their duties under the Equality Act 2010. Detailed guidance to support completion can be found here [Equality Impact Assessments \(EqIA\) \(sharepoint.com\)](#).

This assessment should be started at the beginning of the process by someone with a good knowledge of the proposal and service area, and sufficient influence over the proposal. It is good practice to take a team approach to completing the equality impact assessment. Please contact the [Equality and Inclusion Team](#) early for advice and feedback.

1.1 What are the aims and objectives/purpose of this proposal?

Briefly explain the purpose of the proposal and why it is needed. Describe who it is aimed at and the intended aims / outcomes. Where known also summarise the key actions you plan to undertake. Please use plain English, avoiding jargon and acronyms. Equality Impact Assessments are viewed by a wide range of people including decision-makers and the wider public.

Budget context

Every year, the council must agree an annual budget which balances the money we spend with the money we are expecting to receive. Councils across the country are facing financial challenges and based on our current forecasts, we face a funding gap over the next five years (to 2027/28) of up to £87.6 million dependent on the severity of factors such as rising costs of fuel, energy and inflation. This is in addition to the £34.3 million of savings and efficiencies proposals for 2022-2027 outlined in the 2022/23 budget.

The Council has defined statutory responsibilities, but deliver against a far broader agenda, providing universal services benefiting the whole community, and targeted services aimed at individuals, communities with particular needs, and businesses – administered by our workforce, city partners, stakeholder organisations and commissioned services.

To address these challenges we must look again across all of our services to find where we can do things differently to reduce costs, be more efficient in how we do things and, in some cases, stop doing some things entirely.

This proposal

This proposal signals our intention to review and reduce spending on some IT contracts, for example if we find that we no longer need some systems or support, or if there are ways to join up different parts of the council to use the same system rather than each buying their own.

The initial £100k saving in 2023/24 arises from a decision made this year to downgrade our support contract for Microsoft systems from a 'Gold standard' offer. The remaining £50k is an initial target number and there is no specific proposal about how to deliver this [as of December 2022].

1.2 Who will the proposal have the potential to affect?

<input checked="" type="checkbox"/> Bristol City Council workforce	<input checked="" type="checkbox"/> Service users	<input type="checkbox"/> The wider community
<input type="checkbox"/> Commissioned services	<input type="checkbox"/> City partners / Stakeholder organisations	
Additional comments:		

1.3 Will the proposal have an equality impact?

<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	[please select]
------------------------------	--	-----------------

Could the proposal affect access levels of representation or participation in a service, or does it have the potential to change e.g. quality of life: health, education, or standard of living etc.?

If 'No' explain why you are sure there will be no equality impact, then skip steps 2-4 and request review by Equality and Inclusion Team.

If 'Yes' complete the rest of this assessment, or if you plan to complete the assessment at a later stage please state this clearly here and request review by the Equality and Inclusion Team.

There is no anticipated equality impact as we still provide support to Microsoft products and the reduction doesn't impact the accessibility of systems or our ability to provide reasonable adjustments. As the review progresses we plan to assess potential equalities impacts on a contract-by-contract basis as targets are identified, and this Assessment will be kept as a living document to assess any cumulative impact.

Step 5: Review

The Equality and Inclusion Team need at least five working days to comment and feedback on your EqIA. EqIAs should only be marked as reviewed when they provide sufficient information for decision-makers on the equalities impact of the proposal. Please seek feedback and review from the [Equality and Inclusion Team](#) before requesting sign off from your Director¹.
