

**BRISTOL CITY COUNCIL**  
**LICENSING SUB - COMMITTEE**

**13 October 2016**

**Report of the Service Manager – Regulatory Services**

**Title:** Licensing Act 2003  
Application for the variation of a premises licence in respect of Yo Yo Foods,  
6 Byron Place, Bristol, BS8 1JT

**Ward:** Hotwells & Harbourside

**Officer Presenting Report:** Sarah Flower

**Contact Telephone Number:** 0117 3574900

Purpose of the report

To hold a hearing to consider relevant representations made on the application for a premises licence for Yo Yo Foods made by YoYo Foods Limited and received on 18th August 2016

Members have a pack containing the following documents:

- (a) Copy of the application
- (b) Copy of all relevant representations
- (c) Points of clarification raised with the parties and their responses
- (d) The Council's statement of licensing policy
- (e) The Secretary of state's guidance
- (f) The Council's Licensing procedure rules
- (g) Regulations governing the conduct of hearings

**Context**

The detail of the variation is as follows:

The application seeks vary the licence to add the supply of alcohol so as to enable sealed bottles of alcoholic beverages to be sold and delivered with hot food takeaways (no alcohol will be served or consumed on the premises) and to add new conditions in relation to underage sales (SA01, SA02 and SA03 taken form the Bristol City Council pool of conditions)

Supply of alcohol (for consumption off the premises) - Sunday-Monday 12:00pm - 04:00am, Tuesday - Saturday 12:00pm - 05:00am

The application was accompanied by an operating schedule setting out the steps the applicant proposes to take to promote the four licensing objectives. If there had been no relevant representations (or if all relevant representations are withdrawn) the council would be bound to grant the application subject only to such conditions as are consistent with the operating schedule accompanying the application. The draft of a licence that could have been issued, having regard to guidance and policy and acting with a view to promoting the four licensing objectives, is appended to this report as Appendix A.

## **Policy**

### **City Centre CIA**

#### **Reason for Policy**

The Avon and Somerset Police produced evidence to support their request that the central area of Bristol be designated a cumulative impact area . It remains at saturation point and the Police produced evidence for extending the area to which the special policy should apply so as to include Stokes Croft and Cabot Circus. In particular the area, which has a significant concentration of alcohol led late night venues, witnesses a high number of assaults and other related crime and disorder including public nuisance and risk to public safety. The policy will apply to further applications for the grant of new licenses or significant variations of existing licenses in respect of premises that primarily sell alcohol for consumption on the premises, other late night uses, restaurants and take away outlets. The main focus of the policy is likely to be on alcohol led establishments and premises that keep customers in the area at times when the promotion of the licensing objectives is most challenging (for example late night refreshment from “fast food” outlets)

#### **Representations**

1. Relevant representations have been received from the following parties, all of whom have been notified of this hearing and their rights:
  - Sharon Sawyers - Bristol City Council Trading Standards
  - Andrew Lyle - Bristol City Council Licensing Authority
  - Sarah Bellamy - Avon and Somerset Constabulary

#### **Recommendations**

IT IS RECOMMENDED THAT THE SUB COMMITTEE hold a hearing to consider the relevant representations (unless the subcommittee, the applicant and each person who has made such representations agree that a hearing is unnecessary) and, having regard to the representations, take such of the steps mentioned in paragraph 6 below, if any, as it

considers appropriate for the promotion of the licensing objectives. In making this (and all licensing decisions) the subcommittee must have regard to the guidance and policy included in the subcommittee's pack

2. The steps are –

- (a) To grant the licence subject to conditions that are consistent with the operating schedule
  - (b) To exclude from the scope of the licence any of the licensable activities to which the application relates
  - (c) [To refuse to specify a person in the licence as the premises supervisor] delete where not applicable
  - (d) To reject the application
3. If a licence is granted any relevant mandatory conditions must be imposed in addition to any conditions the subcommittee decides to impose after the hearing. Mandatory conditions are standard conditions imposed by way of legislation and in respect of which there is no power to vary.
4. If the subcommittee decides to grant the application Notice in line with the statutory requirements must be given forthwith to that effect to the applicant, all of the people who made relevant representations and the Chief Constable for Avon and Somerset and must state the reasons for taking any of the steps set out in paragraph 6 of this report; the applicant must also be issued with the licence and a summary of it.
5. If the subcommittee decides to reject the application notice must be given forthwith to that effect to the applicant, all of the people who made relevant representations and the Chief Constable for Avon and Somerset and must state the reasons for the decision.
