

## **SEND SUFFICIENCY & CAPITAL PROPOSALS**

### **APPENDIX B - DETAILS OF CONSULTATION**

During phase 2 of the Specialist Provision Project, communication about the project and its objectives has been included in multiple head teacher newsletters as well as on the Local Offer website. Fortnightly meetings have taken place with the Regional Schools Commissioner who have been sited on developments with the project. The head teachers and SENCOs at any schools interested in becoming a part of the project have received communications through site visits, emails and phone calls. All schools have been cited on how many specialist provision places have been created so far and how many will be in the future through head teachers' briefings. The SEND team and the School Partnerships Team have also been kept updated through meetings and emails. In addition to this, the statutory process for making prescribed alterations has been followed for Shirehampton Primary School and Glenfrome Primary School. The Publication and Representation stages of the process were completed on 12<sup>th</sup> June 2023.
