		<p>find ways to strengthen and consolidate public health effort.</p> <p>7. the actions set out in Bullet Points (19) and (21) of the Minute Preamble (above) are carried out.</p>		
7	Sexual Health Service Procurement	No Action	Not Applicable	Not Applicable
8	Performance Quarter 1 2016/17 and Quality of Life Survey	<p>Paragraph (3) – NH756 – Number of Households In Temporary Accommodation for More than 6 Months – Officers To Investigate whether these figures include households that have changed temporary accommodation and are “re-set”</p> <p>Paragraph (4) – Officers to provide more information on bespoke advice provided to rough sleepers</p>	<p>Alison Comley/Mark Wakefield</p> <p>Alison Comley/Mark Wakefield</p>	<p>This indicator is being looked at again, and the definition changed to better reflect the desired outcome. It will now only look at the time in total spent in TA once the household has wholly come out of TA. Currently the count is based on all live cases - it will be retrospective from now on.</p> <p>It is sometimes the case that even when an outreach intervention is made some individuals continued to rough sleep on occasion – this was in the most part down to drug/alcohol abuse.</p>
11	Neighbourhood Directorate Structure Functions and Draft Scrutiny Work Programme	Tom Oswald to ask the Scrutiny Officer Team to provide similar information for other Scrutiny Commissions	Tom Oswald/Romayne De Fonseca	Neighbourhoods Directorate Functions Chart circulated to Scrutiny Chairs for information and for requesting similar (if appropriate) from their directorate.

12	Positioning Briefing – Neighbourhood Partnerships	Alison Comley (in conjunction with the Cabinet Member as appropriate) to provide a timeline for how the Neighbourhoods Scrutiny Commission will be involved in feeding into the decision-making process on this issue	Alison Comley
