

AGENDA ITEM NO.

BRISTOL CITY COUNCIL PUBLIC RIGHTS OF WAY AND GREENS COMMITTEE 22nd January 2024

CURRENT CLAIMS, INQUIRIES AND MISCELLANEOUS RIGHTS OF WAY MATTERS

(Report of the Executive Director for Transport, Growth and Regeneration directorate)

(Ward: Citywide)

Purpose of Report

1. To report for information on the present position with regard to claims under Section 53 of the Wildlife and Countryside Act 1981; public inquiries; and miscellaneous rights of way orders, agreements and legal proceedings.
2. To inform members on the public right of way improvements made between September 2023 and January 2024 and the proposed improvements planned for 2024/2025.

Background

2. As Surveying Authority for the purposes of the Wildlife and Countryside Act 1981 the City Council has a duty, as imposed by Section 53(2)(b) of the Act, to keep the Definitive Map and Statement under continuous review and to determine any valid applications for Modification Orders which it receives.
3. There are currently thirteen outstanding claims that are waiting to be determined by the Authority, the most recent of which was validated by Legal Services in June 2023. See table at Appendix A for present position with applications.
4. There is no statutory advice relating to the order in which claims should be processed. However, the Council's standard practice is to deal with each application in chronological order of receipt, unless the claim is affected by a planning application in which case it is prioritised. Following a recent review of outstanding DMMO applications, officers resolved to prioritise routes over which the public currently have no access, as a result of development or other obstructions.
5. The area of work undertaken by the prow team is guided by statute and the targets set out in the Rights of Way Improvement Plan (ROWIP) 2018-2026. The ROWIP is a Highway Authority requirement under the Countryside and Rights of Way Act 2000.
6. A summary of the PROW improvement programme for 2023/24 is attached at

appendix D. These works are carried out under the Highway and Surveying Authorities duties; to assert and protect the rights of the public, to ensure routes are adequately signposted, maintained free from obstruction and fit for purpose and, to keep the definitive map and statement under continuous review.

Consultation None.

Appendices

Appendix A - Table of Definitive Map Modification Order applications.

Appendix B - Table of miscellaneous rights of way orders, agreements and legal proceedings.

Appendix C - Enforcement actions and longstanding obstructed PRoW

Appendix D - PRoW Improvement programme summary

Appendix E - PRoW forums

Policy Implications There are no specific policy implications arising from this report.

Resource Implications There are no specific resource implications arising from this report.

Other Approvals Necessary None.

Recommended - that the report be noted

Appendix (E)

PRoW FORUMS

The Bristol Public Rights of Way team works with different forums each of which have their own specific agenda but all overlap in the desire to ensure rights of way are continued to be protected and enjoyed by the public. The key forums are:

- Public Rights of Way and Greens Committee who have a regulatory function;
- Joint Local Access Forum who bring together highway authorities, landowners, and user and interest groups to address PRoW and public access issues across Bristol, B&NES and South Gloucestershire;
- PRoW Liaison Group who represent Bristol user and interest groups and provide advice, support and comment on matters that the Rights of Way team are working on both currently and in the future.
