

Frome Gateway Regeneration Framework - Regeneration Area Boundary

Frome Gateway Regeneration Area

Core Regeneration Area

This area will see significant change as land is brought forward for redevelopment. The Regeneration Framework will outline design and development proposals within this area and guide the future delivery of new and improved homes, jobs, public and green spaces, and infrastructure.

Wider area of local context

The area surrounding the core regeneration area will not be subject to these development proposals, however it is important to consider how any development works with and are connected into the surrounding area.
