

People Scrutiny Commission

19th February 2024

Report of: People Scrutiny Commission

Title: Report from PSC Workshop examining the pathways available for Children with SEND from Education to Employment

Officer Presenting Report: Bronwen Falconer, Scrutiny Advisor

Recommendation:

- The People Scrutiny Commission is asked to note this report and recommend it be directed to the relevant Policy Committee(s) for the 2024/25 year for consideration of any further action required.

The significant issues in the report are:

- This report reflects the information collated from services across Bristol City Council and West of England Combined Authority as well as the outcomes and issues raised in the course of the workshop meeting
- The report should be considered as a baseline map of the landscape and record of current thinking around the pathways available for Children with SEND from Education to Employment
